

Process for Latecomers Inquiring About Financial Assistance

A student may only start attending WCCA once a payment plan is determined. Therefore, if a family requests financial aid after **February 1st** of the current school year's billing cycle, they must:

1. Apply to FAST
2. Receive an aid decision and fees payment schedule from WCCA in approximately 3-4 weeks
3. Agree the aforementioned payment schedule, and begin payments

Only then, may the student/s begin to attend class. This applies to post-September starting dates as well.
