WCCA Family Volunteer Opportunities

A thriving school community is built through the generosity and practical involvement of its families.

There are so many ways to make a meaningful contribution, from chaperoning class field trips, helping prepare for school events, and participating in school productions. Your involvement in these and other ways enriches our school and helps our community flourish.

More details about specific volunteer opportunities will be shared in the coming months, so stay tuned to see how you can get involved and be part of what makes our school community great!
